Gas supply to the above flats will be temporarily suspended for maintenance.

We apologize for any inconvenience.

In order to facilitate resuming gas supply at the soonest, please **turn off the main control** located near your gas meter during this period.

Please see figure (1)

When completed, your appliances could operate as normal. In case you have any problem, please do not hesitate to contact our Customer Service Hotline at 2880 6988.

Thank you for your co-operation!
